

## Summer 2018 Children's Education Programme at Art Centres

The Children's Education Programme at the Arts Centres organises year-round courses and workshops that focus on contemporary art practices and different methods of learning. The seven Art Centres are located across the Emirate of Sharjah, in the central and eastern regions as well as the city of Sharjah.

All Sharjah Art Foundation events are free and open to the public. Materials used in courses and workshops will be provided by the foundation.

Sharjah Art Foundation is committed to making its programmes as inclusive as possible. Disability access symbols are included with Education and Community Programme descriptions to indicate the accessibility of individual sessions.
