Learning Programme for Youth and Adults

June Programme 4 June 2023

The Learning Programme for Youth and Adults invites you to experience Sharjah's history, its diverse communities and its landscapes through exhibition tours, excursions, workshops and courses designed especially for [Sharjah Biennial 15 \(SB15\): *Thinking Historically in the Present*](#), running from 7 February to 11 June 2023. Many of the sessions have been inspired by the work of one of the more than 150 artists and collectives who have created the over 300 works for the 30th year of the Biennial.

This month's programme, taking place on Sunday 4 June, offers a meetup inspired by the works presented in Sharjah Biennial 15. Through this programme, participants will be able to work with, and learn from exhibiting artists and exchange ideas and stories. Venues are located in Al Mureijah Square and Arts Square in the city of Sharjah. Sessions are in English and/or Arabic, depending on participant needs.

Sessions are free, and all materials are provided. To find out more about the Learning Programme for Youth and Adults, please email youthandadults@sharjahart.org or call (06) 568 5050.
