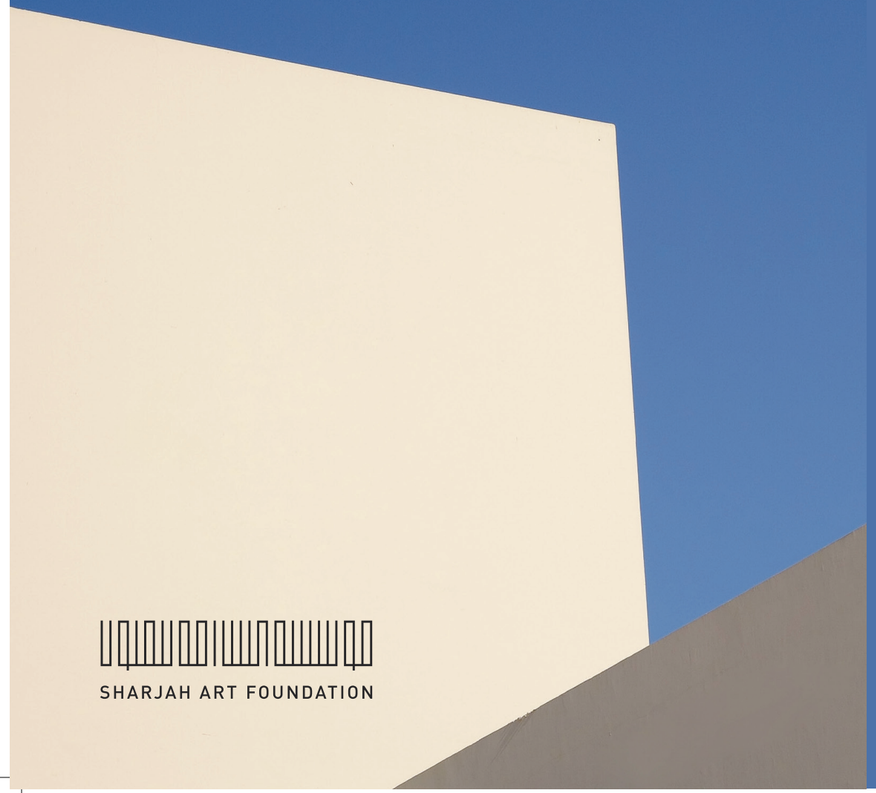
SHARJAH ART FOUNDATION VENUE HIRE



SHARJAH ART FOUNDATION

Located in the Heart of Sharjah in a unique heritage setting, Sharjah Art Foundation Art Spaces and heritage houses are home to exhibitions, film screenings, talks, workshops and events. These unique spaces are also available for hire and suitable for film screenings, theatrical performances, conferences and other events.

Why Sharjah Art Foundation

With outstanding art collections, exhibited in a fully accessible Emirati heritage setting, Sharjah Art Foundation Art Spaces and heritage houses are stunning venues for commercial, corporate or private events, both in the daytime and evening.

If an event is held in an exhibition space, Sharjah Art Foundation's dedicated art guides can arrange tours of the exhibition to help guests make the most of their experience at the unique SAF venue. Interactive sessions involving the gallery displays can also be arranged to ensure that every event makes a lasting impression on guests.

Venue hire fees help keep SAF's Education, Community and Outreach Programmes free and open to the public.
